

Spring will be here soon!!!

Spring will be here before you know it, so get your planting beds ready. We are selling hardwood mulch that not only will add beauty to your yard, but will also retain soil moisture, prevent erosion, and help control weeds. We are happy to provide this high quality, mountain top shredded hardwood mulch recommended by top landscape specialists.

Our mulch is supplied by Merrifield Nursery here in Vienna, Virginia, and comes in 3-cubic feet bags weighing from 40-50 pounds per bag. We are able to offer this mulch to you at the same price as if you purchased it from Merrifield directly.

**The best part is that you will be supporting Madison High School Crew Team, right here in Vienna.**

**No need or time for mulch?**

If you don't have a need or time for mulch, please consider making a **tax deductible contribution** to help support the James Madison High School Crew Team.

The James Madison Crew Booster Organization (JMCBO) is registered as a 501(c)(3) not for profit organization. Checks may be made out to 'JMCBO.' Thank you!

### How to determine the number of bags of mulch to order:

To cover your beds with the recommended 3" layer, please do the following:

1. Measure the total square footage of your garden beds and divide by 12.
2. The result is the total number of bags needed. Use this number in the table on the right side of this page to calculate your cost.
